

# Join the Parents Association of DIA (PADIA)

## **T**ogether

*When you join PADIA...*

You join an organization of passionate parents who work with DIA to enhance the educational experience of our children, support our teachers and staff, and provide DIA families with a sense of school community. You can get more involved by being a Room Parent or being on the PADIA Leadership Committee.

## **E**veryone

*Who can join PADIA?*

All DIA families!  
Your annual family membership fee helps fund free family events, Teacher Appreciation Week, birthday & holiday gifts for Administrative staff and more. Our goal is to reach **100% membership!** Please partner with us to reach this goal. Sign your family up today!

## **A**chieves

*What does PADIA do?*

PADIA, led by a parent volunteer Leadership Committee, organizes and executes philanthropic and social events: Membership Meetings (on topics relevant to child development), Fall Festival, Family Fiesta, Teacher Appreciation, Room Parent Program & much more!

## **M**ore

*Your support means...*

More DIA family camaraderie and a sense of community, more involvement and investment in your child's early learning experiences. More new and fantastic ideas to support DIA, and more resources to enhance our programs and events!
