Hello Families,

Every year, Daniel Island Academy strives to create the best learning and development environment for our children while supporting over 40 teachers and staff. Membership in PADIA serves as vital funding for our teacher appreciation events and PADIA-hosted activities. Your support through PADIA membership and participation in our events throughout the year makes all our initiatives possible. Whether you contribute your time as a volunteer or through financial support, there are countless ways to get involved. We invite you to volunteer and engage with us year-round!

Thank you for backing our teachers and staff at Daniel Island Academy by supporting PADIA!

Best,
PADIA President
Brittany Perez
